## **Holland America Cruise Line**

Elegant. Attentive. Adventurousome. Holland America Cruise Line consistently raises the standard when it comes to cruising. From white-gloved stewards who provide discreet, unobtrusive service to accommodations that are 25% larger than other ships in the same category, Holland America Cruise Line pampers you beyond your wildest dreams.

The entire staff anticipates your every need and fulfills them far above your expectations. You'll find premium enhancements on Holland America Cruise Line ships that are not found on other vessels including plush Euro-top mattresses, top-quality cotton bed linens, plush towels and bathrobes, massage showerheads and more.

These are just a few reasons Holland America Cruise Line is consistently rated among the world's best in the Condé Nast Traveler Readers' Choice Survey. In addition, the "Best Cruise Value" designation has been awarded to Holland America Cruise Line.

With thrilling, adventuresome itineraries to many of the most exotic and intriguing locales in the world, Holland America Cruise Line puts the world at your doorstep. From always popular Caribbean cruises to the mystery of the orient to outback adventures in Australia & New Zealand or the frozen wonderland of Antarctica, Holland America Cruise Line is your expert guide to an entire world of exploration and relaxation.

Holland America Cruise Line offers a diverse range of activities that are consistent across their ships: fitness workouts, art tours and wine tastings, for example. In addition, tea is served each afternoon. Evening entertainment includes many options, such as dancing, movies and Las Vegas-style revues.
